Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

The Office Action dated January 23, 2006, was returned to the USPTO, as indicated by the February 2, 2006 USPTO stamp on the "Miscellaneous Incoming Letter" (i.e., the returned January 23, 2006 Office Action) found in the file wrapper. The USPTO did not remail the returned Office Action, and therefore Applicant never received the Office Action prior to the end of the period for response.

In early 2006 the Applicant was being represented by Darby & Darby, and in April 2006 transferred representation to Dickstein Shapiro, as indicated by the Change of Power of Attorney filed on May 1, 2006. Applicant notes that MPEP § 711.03(c) requires submission of a copy of the docket record where the nonreceived Office Action would have been entered had it been received and docketed. However, as Darby & Darby is a competitor of Dickstein Shapiro, it is unlikely Darby would be willing to provide a docket record, which includes Darby's client's confidential application information. Applicant has confirmed with Darby's docketing manager, Gabriella Karaszi, that the January 23, 2006 Office Action is not in Darby's docketing system, indicating that Darby never received the Office Action.

The granting of this Petition is therefore respectfully solicited.

In compliance with the USPTO rules, Applicant encloses a Petition fee of \$500. Since the USPTO should have known that Applicant would not receive the Office Action after it was returned and not remailed, Applicant respectfully requests a refund of this Petition fee.
